Going the Distance for EMS!

Dear Valued Partner,

Announcing Arrowhead EMS Association's 40th Annual Arrowhead EMS Conference & Expo "*Going the Distance for EMS!*" to be held at the Duluth Entertainment Convention Center on January 22-26, 2020. This event provides continuing education on cutting-edge techniques, protocols and topics to the entire spectrum of emergency medical providers.

The mission of Arrowhead EMS Association is to provide resources and advocacy to advance, sustain and connect our healthcare and public safety communities. Each year our goal is to support the needs of providers, facilitate high quality education and assure organizational sustainability. Our conference and expo is built to do all three while maintaining affordable access for our participants, exhibitors and sponsors.

Our EMS Conference & Expo continues to provide the best possible educational updates with the ultimate goal of improving patient outcomes and survival rates. We are inviting you to participate in our 2020 EMS Conference & Expo. Please review the enclosed exhibitor information and registration forms carefully, as we have made some changes. As an exhibitor, you have a great opportunity for direct marketing and advertising while supporting quality education for hundreds of EMS providers.

Registrations are accepted via mail, fax or online at www.arrowheadems.com. If you have any questions, feel free to contact me at 218-726-0070 or adam.shadiow@arrowheadems.com.

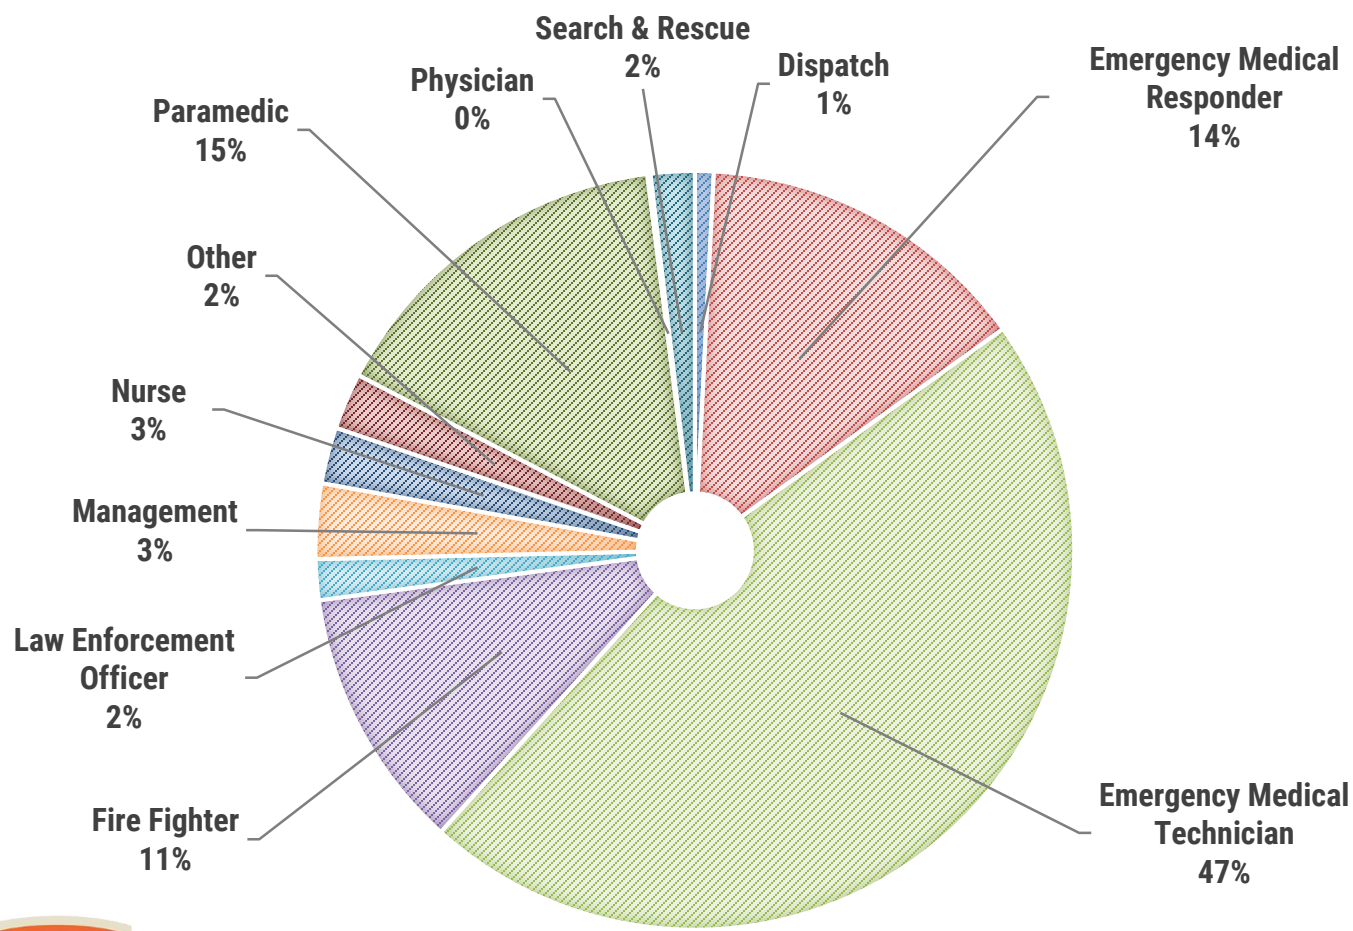

Thank you for your continued support,

Adam Shadiow
Executive Director
Arrowhead EMS Association

The Arrowhead EMS Association Conference & Expo is attended each day by more than 600 emergency medical professionals from a diverse blend of disciplines. This is your opportunity to reach a community of key decision makers and organizational influencers that impact the delivery of emergency medical care in Minnesota, Wisconsin and beyond. From prominent signage to the opportunity to participate in our 22,000 sq ft exhibit hall, we provide an unparalleled brand exposure experience.
